REFERENCES

25X1D

Location: Approximately 5.5 nm NW of the complex support facility

Type: IIIC

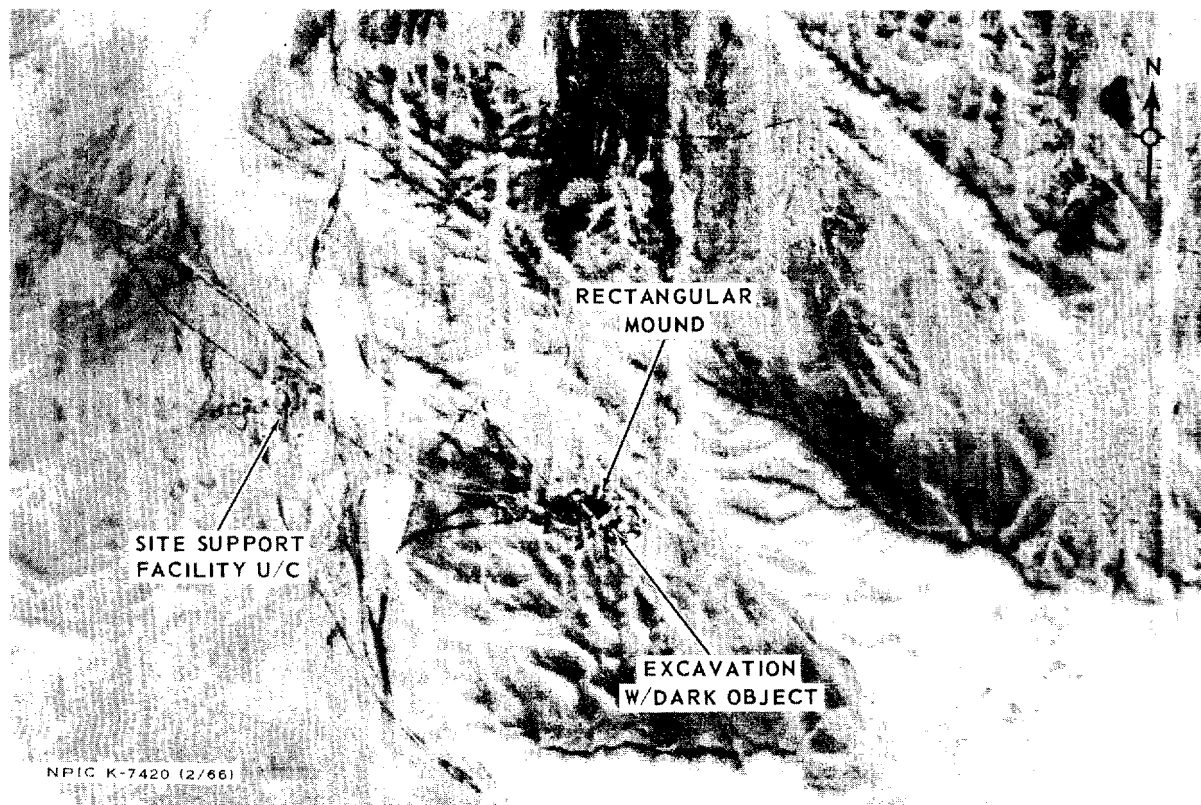

Negation Date:

Stage of Construction: Undetermined Date First Seen:

25X1D

The launch area consists of a launch site and a site support facility. The launch site contains a square excavation with a rectangular mound on the NW side. A dark object is located in the excavation. Six small probable buildings are located around the site. Possible security fencing is vaguely visible on 3 sides of the site.

The site support facility, under construction approximately 2,500 feet to the west, is connected to the launch site by track activity.
